

Notes from Port/Dock Captain's meeting Tues, 4-23-19

Tracy McKendry, Sr. Mngr, Rec. Boating:

- Tracy is researching additional pumpout vendors for the marina to meet the rising demand. The state has a grant program for some companies to service areas but she doesn't want it to conflict with the current vendors.
- Two [SeaBins](#) have been purchased by the Port to moor in the marina. They are floating passive debris and plastic collectors.
- Eight [Electric Vehicle charging stations](#) to be installed...4 in the north end and 4 in the south. There will be different rates for tenants and non-customers.
- The [Smart Plug](#) rep will come to June Dock Captain meeting to talk about their product. The Port of Seattle gave its approval for use in the marina.
- There are a couple new staff members in the office, Krystle, Kyle ...be sure to introduce yourself to them. Katlyn is leaving the marina office for the Seaport Division. Lisa Greer is moving to the Airport division.
- The [Dukes Restaurant](#) design is 60% complete and is being sent to the Port for review.
- The PeaPatch management issues in the S. PeaPatch have been resolved.
- The marina's front office in the building will be remodeled to better accommodate customer interaction.
- The Port of Seattle and Shilshole are focused on providing more diversity in boating activities. For example, the Adventuress gets free moorage in exchange for free day sails for disadvantaged kids. July 3rd, the Rainer Vista Boys and Girls Club will be here.
- Gas fire pits, as are commonly found on backyard patios, are *not allowed* on boats or the docks.
- Dock sealing will continue on the North end docks this summer.

Security-Dale Roberts, Harbor Operations Supervisor:

- Dock Gate Strike bar (opening handle) to be replaced on all gates with a more durable one like currently installed on D/E dock.
- There have been no reported parking lot crime issues
- Lighting at the south entrance gate to be improved
- Transient RVs on the street are being monitored-*please report any issues immediately to the office*
- People are driving too fast in the parking lot (Please slow down)
- Laundry machines are constantly dirty and broken (Marina to contact vendor about this)
- O-dock reported a boat break-in (no details available)

Shilshole Liveaboard Assoc. (SLA)-Ned

- The SLA annual meeting will be held at CYC, 4/30, 7-8:30pm. All Shilshole liveabards are invited to attend. Details can be found on the [Shilshole Blog](#)
