

SHILSHOLE BAY MARINA

Greetings Shilshole Residents,

Longer days and warm weather are bringing lots of activity to our side of Ballard. We trust you're making memories and capturing special moments with your cameras. We invite you to share your photos with us! We'd like to include them in the annual Shilshole Bay Marina Calendar.

The Annual Shilshole Bay Marina Calendar – We're looking for beautiful, interesting, or unique scenic shots that showcase the Marina across all seasons. You are welcome to send a few of your best photos our way. Please include your full name with your photo submission so that we my properly give credit. We will select 12 among all submissions to feature. Calendars will be distributed in December. **Calendar photo deadline: Friday, July 12**

Important Photo Requirements

- Image Quality: High Resolution, 300 dpi (Photos taken with iPhone and Android phones will work just fine!)
- Image Orientation: Horizontal preferred, but vertical okay
- File Format: tiff, jpeg, or pdf
- File Size: Please limit image file size to a maximum of 10mb. Note that file sizes that are very small (below 1mb) may indicate that your image is low quality. If you would like to submit a file larger than 10mb or multiple large files, we recommend using the free [WeTransfer](https://www.wetransfer.com/) service. Email photos to sbm@portseattle.org.

We look forward to receiving and sharing your photos. Contact the marina office with any questions.

Have a great summer!
The Shilshole Bay Marina Team
